JEWISH PERSPECTIVE CONCERNING THE ISRAEL TRUTH**

A008	<p>Ancestry: The Hebrew Identity of Celtic Races From a Jewish perspective: "Ancestry. The Hebrew Identity of Celtic Races," provides Proof that amongst Celtic Peoples (especially those of Britain and Ireland) were to be found many Hebrews from the Lost Ten Tribes. This still applies today, to their descendants.</p>	296	Yair Davidiy	£18.00
E099	<p>Ephraim: The Gentile Children of Israel From a Jewish perspective: "Ephraim. The Gentile Children of Israel" traces the Lost Ten Tribes to the British Isles, North America, Australia, and related areas. Sources used include the Bible, Midrashim, other Rabbinical texts, and secular sources.</p>	276	Yair Davidiy	£18.00
E011	<p>Esau: Edomites Today From a Jewish perspective: Esau seeks to kill his brother Jacob (Genesis 27:21) and through his Roman, German, and other descendants almost succeeds in doing so. Esau has given rise to military elites such as the Spartans and to conquering warriors like Alexander the Great. Esau is Great! There is none like him, for good or bad. He creates civilizations and destroys them. He stalks through the pages of world history and leaves his imprint everywhere. Esau was blessed that he should benefit from the riches of this earth and be a warrior nation, "By Your Sword You Shall Live!" (Genesis 27:20)</p>	207	Yair Davidiy	£18.00
G006	<p>Germany and Edom From a Jewish perspective: "Germany and Edom" shows how descendants of Esau (also known as "Edom") settled in Germany and other European and Asiatic countries. H004	<p>Hebrew Warriors From a Jewish perspective: The Khazars were descended from a mixture of remnants of the Ten Tribes, Jewish refugees whose religious affiliation had blurred, and Gentile descendants of Gomer. A movement to return to Judaism began among them. Due to the uncertainty of their lineages the Rabbis declared them all Gentiles and then converted them to Judaism as the Bible and Tradition allowed them to do.</p>	194	Yair Davidiy	£18.00
T099	<p>Tribes The – 4th Edition From a Jewish perspective: The Twelve Tribes of Israel are linked to the Western peoples. 4th Edition The Tribes proves that most of the ancient Israelites were exiled and lost their identity.
